

New Hannay HG-15 Hose Guide

For 1500 series Reels

1500 Series

Hannay Reels now offers an affordable Hose Guide for our 1500-1600-1800-2000-4000 series reels. A clean and efficient way to rewind hose for frequent and repetitive use applications.

- Simple design to rewind hose evenly and neatly every time
- No need to handle dirty or contaminated hose
- Powder-Coated bracket, stainless steel guide rods and nylon rollers assure long service life
- Designed for aftermarket installation
