Hannay Reels®
The reel leader.

Dealer Display

Built with the same craftsmanship & quality standards as our reels.

Steel construction with Silver Vein Powder Coat Finish
Dimensions: 64"H x 40" W x 21" D

This durable and stable free-standing display rack will enable your customers to inspect our Hannay products from all angles, allowing them to examine the superior design, operation and construction of Hannay Reels.

The display has adjustable rubber feet for easy leveling on most any flooring surface. It also comes with mounting hooks for easy mounting of each reel. This eye catching unit will compliment any showroom. Its unique color and design coordinates well with Hannay Reels and will not require maintenance.

To obtain a Hannay Reel Display for your facility, simply contact your Hannay Reels Regional Account Manager.

You Can't Buy A Better Reel.
