## Hannay Reels Offers Stackable Frames

► **Maximize limited space with a stackable frame for up to two reels\*.**

### Ideal for:

- Utility trailers
- Pickup truck beds
- Smaller utility work trucks and vans
- Cabinets, compartments and other areas where space is limited
- Ideal for multiple applications

Made of rugged, heavy-gauge steel, just like our reels, these stackable frames are available for Hannay Reels Series 1500, 1800, 2000 & 4000 manual or power rewind industrial hose reels. Frames can be painted to match reels, must specify when ordering.

*\*Note: Up to two reels can be stacked in any combination, allowing for different applications and power rewind preference. Triple-stacking reels by mounting two stacking kits together is not supported and will void all warranties.*

Stackable frame shown with two manual 1500 Series Reels.
